HONDO "PASSES UP" INCORPORATION.

Pursuant to the call for a mass
meeting to be held at the court-
house last Monday night, a number
of citizens responded. President Fel-
ix Batot of the Chamber of Com-
merce, called the meeting to order
and explained that it was a general
mass meeting and not a meeting of
the Chamber of Commerce, the first
order of business was to elect a
chairman.

Judge H. E. Haass was nominated
and elected chairman and Fletcher
Davis, Secretary.

Judge Haass explained the purpose
of the meeting to be to hear a re-
port from Mr. Blum on his com-
pany's plans for enlarging and im-
proving the street lighting system
of the town.

Mr. Blum explained that at present
Hondo has 16 street lights of 100
candle power each. His company
proposes to install 36 lights of 400
candle power each, and he exhibited
a map showing the proposed location
of the lights. The present cost of
the sixteen lights is \$900.00 annual-
ly; the cost of the proposed 36 would
be \$1440.00.

Following Mr. Blum's statement,
Joe Ney moved that the meeting vote
to accept the light company's offer.
On count of a standing vote there
were 31 votes for to 0 opposing,
about one-third of those present
voting.

After thus determining it the
sense of the meeting that Hondo's
street lighting should be improved,
consideration of ways and means of
financing the improvements was
taken up and considerable informal
discussion followed. Two plans only
seemed to be in the minds of the
people—incorporation or a private

subscription list. Judge R. J. Noonan
entered into a detailed discussion of
the costs of city government and
counseled against hasty action in the
matter of incorporating. There be-
ing no rejoinder to this argument,
Mrs. C. J. Bless headed a subscrip-
tion list with a subscription of \$80.00
and others followed until nearly
\$1400.00 had been subscribed by
those present.

Felix Batot, H. F. King and Joe
Ney were appointed a committee to
circulate the subscription list among
those not present at the meeting and
report to another meeting next Mon-
day night.

After this the meeting adjourned
without further consideration of the
matter of incorporation, the matter
seemingly being dropped by common
consent.

The committee having the matter
in charge is asking for a pledge of
\$3,500.00 for the year, to be ap-
plied as follows:

| | |
|---------------------|-----------|
| Street lights | \$1400.00 |
| Night Watchman | 900.00 |
| Chamber of Commerce | 600.00 |
| Incidentals | 600.00 |
| Total | \$3500.00 |

Up to going to press approximate-
ly \$3,300.00 had been pledged and
the improved lighting system seems
assured.

The Committee will report Monday
night to another meeting and at the
same time we understand the matter
of incorporation will be called up
again for re-consideration.

A BRUTAL MURDER.

Deputies C. J. Bless and Charles
Schuchle were called to Yancey on
Saturday of last week to investigate
the death of two Mexicans under
suspicious circumstances.

Four Mexicans, namely: Sabino
Aldaz, aged 31 years; Soledad Mor-
eno, aged 32 years; Marcelino Tobias,
aged 40 years; and Angele Tobias,
aged 18 years, lived together on a
farm a few miles from Yancey.

Saturday while Aldaz had gone to
Yancey for supplies, the woman,
Soledad Moreno, called some passers
by and told them Aldaz had killed
Marcelino Tobias and his daughter,
Angele, on November 4th, and forced
her to help bury them in a shal-
low grave near by. The men took
the news to the officers at Yancey
and Aldaz was arrested at once and
held under guard until the Hondo
officers arrived and took charge of
him.

An investigation of the scene dis-
closed blood spots in the room where
the two dead Mexicans had been
accustomed to sleep, a bloody hatch-
et was found and both the man
and woman's tracks were found lead-
ing from the house to a grave 245
steps from the house in a cotton
field. The footprints were the same
as made by the shoes then worn by
the man and woman and showed
that they had carried something be-
tween them. The man's shoes and
clothes still had blood stains on
them.

On Sunday the grave, which proved
to be a very shallow one, was
opened, and the bodies of the two,
with their skulls crushed, were
found therein. At the inquest, held
by Justice J. H. Burgin, with the
assistance of County Attorney D. C.
Brown and County Health Officer
Dr. W. H. Smith, and at the exami-
ning trial that followed on Monday,
the woman testified that the man
killed them and forced her to help
him carry the bodies to the grave,
which he had dug before killing
them, and help bury them. The man
confessed to a part in the affair but
attempted to lay the actual killing
on the woman.

Aldaz was bound over to await
the action of the next grand jury and
is now in jail.

CLUBS AT SCHREINER INSTITUTE ORGANIZED.

KERRVILLE, Tex., Nov. 13.—
Organization of clubs at Schreiner
Institute is making fast progress, and
at present there are about 10 in
school. A few of these will not be
active clubs, but will merely meet
when something of interest to the
organization comes up, but there are
about four or five clubs that have
regular meeting nights, and are tak-
ing up literary work and other forms
of entertainment.

The Scholarship Club, being or-
ganized by President Delaney, is
composed of boys who hold scholar-
ships given by Schreiner Institute
to honor graduates of high schools
over the State. At the first meet-
ing President Delaney outlined the
work, which he hoped the club would
take up, and after the discussion
of the purpose of the organization,
the following officers were elected:
Robert Stewart, Lockhart, president;
Wilburn Van Fleet, Hondo, vice-
president; Sam Landrum, Lott, sec-
retary and treasurer.

IN MEMORY OF MALINDA BERTHA WATSON.

Another loved one was called to leave,

For the land of love and of peace, Where the weary soul rest is given; Everlasting reward in a place called Heaven.

Angels called thee, little darling, Called thee to their sunny home, And we know that thou art waiting For the dear ones here to come.

'Tis hard to break the tender cord When love has bound the heart, 'Tis hard, so hard, to speak the words, "Must we forever part?"

God needed one more angel child Among his shining band, And so he bent with loving smile And clasped your darling's hand.

They had a little treasure once She was their joy and pride, They loved Linda oh! perhaps too well

For soon she slept and died.

Small white hands are gently folded, Quiet now thy dainty feet; Brightest eyes are closed forever, Gone the smiles that were so sweet.

All is dark within their dwelling, Lonely are our hearts today, For the one we loved so dearly Has forever passed away.

Oh Linda, dear we loved you so, Our hearts ache with grief and pain, Dearest, darling, we beg you pray for us, That in Heaven we'll meet you again.

WHAT NEXT?

The automobile has invaded another realm of the horse, the dangerous game of "bulldogging" steers which has been popular in the Lone Star state ever since the vast herds of cattle first roamed its prairies.

The stunt was successfully performed recently for the first time by a daring cowgirl at the rodeo held at Bandera, Texas.

Crouched on the running board of a Chevrolet touring car, she rode in pursuit of a wild Texas steer. A group of yelling cowboys mounted on horses joined in the chase. The driver of the Chevrolet adroitly avoided a frenzied charge when the steer suddenly stood his ground and attempted to gore his pursuers.

The car then whirled in a swift circle and ran alongside the galloping steer. The girl leaped from the running board to the animal's shoulders, locked one arm about his neck and threw him to the ground. She suffered no injury.

Veteran cowmen in Bandera county, the heart of the western ranch country, declare that "bulldogging" from a car appears to be safer than when the rider is mounted on a horse.

What Is a Diuretic?

People Are Learning the Value of Occasional Use.

EVERYONE knows that a laxative stimulates the bowels. A diuretic performs a similar function to the kidneys. Under the strain of our modern life, our organs are apt to become sluggish and require assistance. More and more people are learning to use Doan's Pills, occasionally, to insure good elimination which is so essential to good health. More than 50,000 grateful users have given Doan's signed recommendations. Scarcely a community but has its representation. Ask your neighbor!

Suffered weak, nervous

"I WAS in a very weakened, run-down condition, surely in need of a tonic and builder," says Mrs. J. R. Wrenn, of Anna, Texas. "I was so weak I had to go to bed, and kept getting weaker."

"I suffered with my back so much. I was very nervous, couldn't rest good at night. I couldn't eat anything—I just wasn't hungry."

"I had read so much of Cardui, I thought best to use it. I took seven or eight bottles, and by the time I had taken them I was stronger than I had been in several years. I can highly recommend Cardui."

Thousands of other women have found that the tonic effects of the purely vegetable ingredients of Cardui were just what they needed to help restore their appetites, to help bring them easily and naturally back to normal health and strength. Its action has been found to be of great benefit in many common female ailments.

THE LAST NOVEL
Ever Written By
GENE STRATTON-PORTER
Just Starting in McCall's

Shortly after this beloved novelist's sudden death nearly two years ago, Mrs. Porter's daughter found among her mother's papers the complete manuscript of a novel—"The Magic Garden"—a romance as delicate, as whimsical, as satisfying as that last fiction success, "The Keeper of the Bees." And now "The Magic Garden" is just starting serially in McCall's. Don't miss this story of a poor little rich girl who ran away to find love.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or disperse the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

Sunday morning at 9:30 o'clock Sunday school begins at Bethlehem Lutheran church. Divine service begins at 10:30 during the winter months. All are cordially invited to both the Sunday school and divine service.

Sunday night at 7 o'clock the Quihi Luther League will give a very interesting and entertaining musical and literary program in the Lutheran church. The various numbers on the program are as follows: Duet selected by Miss Elsie Oefinger. Male quartet led by Mr. Edwin Grell, a musical selection by Mr. Rolf Saathoff, a vocal rendition selected by Miss Hulda Oefinger, several fine selections by the Quihi church choir, a declamation by Miss Emilia Mussmann, a paper by Miss Nora Schuehle, an essay by Mr. Alfred Oefinger, a select reading by Miss Pauline Graff, a lecture by the pastor and a literary selection by Mr. Alfred Saathoff. All are cordially invited to come and hear and enjoy this program.

Immediately after the rendition of a program on Sunday night, the Luther League of Quihi will hold its monthly business meeting. All members and all who wish to unite with the League should be present.

On Thanksgiving Day divine service will be held in Bethlehem Lutheran church at 10:30 A. M. It is hoped that the church will again be decorated for this service with products from fields and gardens as it was on Thanksgiving Day the last few years.

FORTY-TWO CLUB.

Mesdames Arthur Rothe, Walter Rothe and Alice Reinhart were hostesses to the members of the "42" club and a few invited guests Thursday afternoon.

Thanksgiving was featured in all decorations. A huge bowl of white chrysanthemums mingled with red and gold leaves of the wild sumach formed a lovely center decoration for the table from which the guests drew tallies designed to further carry out the Thanksgiving idea.

Six tables of players chose places for the games, of which fifteen were played. High score, thirteen games, was won by Miss Lena Reinhart of D'Hanis.

Mrs. Walter Albrecht and Miss Lena Reinhart of D'Hanis, Mrs. W. H. Smith, Mrs. Will Ney, Mrs. T. B. Knopp and Miss Octavia Davis were guests for the afternoon.

After the games the hostesses served delicious turkey sandwiches, hot coffee and squares of chocolate fudge and divinity candy to the guests and the following members: Mesdames Oscar Schuehle, Aug. Schroeder, F. H. Schweers, Felix Richter, O. H. Miller, P. Jungman, L. E. Heath, Fletcher Davis, Edw. Cameron, Felix Batot, L. J. Brucks, Horace Bradley, and Misses Lucille de Montel, Bess and Lillian Brucks and Lorraine Heath.

The hostesses for the next meeting will be Mesdames F. H. Schweers, Oscar Schuehle and Earl Starnes.

YOUNG ENGINEER VISITS PARISHES.

Ralph Windrow spent Sunday with homefolks. Ralph's headquarters is now at Kansas City, though he is just from Detroit, Michigan, where his Co. was bidding on a 27 million dollar project. Cotulla is letting contracts on the dam, Dec. 6, and Ralph is down there getting up the bid for his Company, which is a 7 million dollar job.

Following is an Associated Press dispatch telling of the project on which the young man is figuring:

AUSTIN, Tex., Nov. 16.—Bids for construction of an irrigation system to cost more than \$7,000,000 will be received through Dec. 6 by LaSalle County water improvement district No. 1, John A. Norris, chairman of the State Board of Water Engineers, said Tuesday.

The board over which Norris presides granted a permit for the district to irrigate 104,000 acres.

Specifications call for construction of an earthen reservoir dam two miles long across the Nueces River nine miles above Cotulla, 100 miles of main canals and 175 miles of lateral canals. The territory to be irrigated is famed for truck growing. John W. Wilson of Cotulla is president of the irrigation district.

COST OF DISTRICT COURT.

District Clerk August Kempf informs us that the recent term of District Court cost \$921.00. This was an increase of about fifty per cent over the cost of last spring's term which was \$698.00. The increase in the cost was due to the necessity of calling the jury for the third week at the fall term.
